About

I am a visual artist specializing in oil and acrylic painting. I have significant experience in a variety of other mediums including pencil, ink, watercolor, and sculpture. In addition to frequent commission work, I acquire inspiration from a variety of sources. My detailed works include landscapes and elements of nature as well as figures, structures, and everyday objects. In June 2020, I became a member of Studio Pintura and joined the Northrup King Building community of artists, working and displaying in the North Light Studio #350.
